1. The Bratislava-Vajnory (P 49/T 00) airfield (location see Annex) was occupied as follows:
 - a. One detached company of the Piestany (P 49/T 44) air base. Capt Josef Ondras + was CO of the company and chief of the flight operational control.

 - c. Five Siebel and Piper type aircraft of the Bratislava Aero Club. ++
 - D. Civil aviation personnel.
2. The landing field was 3,300 x 5,800 feet.

25X1A [REDACTED] Comment:

- * a. According to a previous report Ø, Capt Ondras is the CO of a component company of the Piestany 12th Air Base. This company was probably detached from Piestany to Bratislava-Vajnory and charged with maintenance work on the aircraft of both the 44th Rcm Regt and the 4th air training squadron stationed in Piestany. These units occasionally use the Bratislava-Vajnory airfield for training purposes.
- ** b. It is known from previous reports that Aero Club aircraft use the Vajnory airfield.
- c. The reported location of the airfield agrees with previous reports.
